

Our Mission

Promote and serve the transportation industry.

For over 85 years, the South Dakota Trucking Association (SDTA) has been a powerful voice for the trucking industry in South Dakota. The leadership provided from the Board of Directors, association members and staff has enabled this industry to survive many challenges. SDTA continues to work on behalf of its members with all branches of government as well as help members stay on top of industry trends and regulations that affect their businesses.

Get Involved!

There are significant benefits associated with membership in the South Dakota Trucking Association (SDTA). Regardless of the size of the existing or prospective member, this association provides a genuine value that cannot be found through membership in any other organization.

For example, the SDTA's annual convention and trade show provides an ideal blend of educational activities to enhance the professional knowledge base of attendees, entertaining activities that will build personal relationships and activities that allow for participation in recreation.

Some of the association's finest hours have come in difficult times when leadership brought together the diverse segments of this state's trucking industry to focus on an issue to successfully accomplish a single position. There is no substitute for focused leadership backed by the confidence of strength in numbers.

However, SDTA needs your help. Be an important part of an exciting and worthwhile endeavor. Lend your expertise and support to a progressive and highly focused professional group that is specifically organized to expertly attend the needs of the South Dakota trucking industry.

Preferred Partners

Valuable Services & Products for SDTA Members

SDTA partners with a number of companies that offer excellent services and products providing opportunities to save members thousands of dollars every year. Members can take advantage of these valuable services and products provided by quality vendors through the SDTA's Preferred Partner programs. The SDTA uses a comprehensive evaluation process developed and implemented by a review panel, which eliminates all the guesswork from the equation.

Potential partners must submit a proposal, which is thoroughly reviewed by the panel. If the proposal is approved, the SDTA will partner with a vendor to offer the products or services to its members.

Every partner program provides members with a single truck or 1,000 trucks with the same opportunity to benefit from high-quality products and services. The SDTA is confident that by doing so, your businesses will become more efficient and profitable when doing business with any number of these companies.

To learn more about SDTA's Preferred Partners, please contact the SDTA office (605) 334-8871 or go to our website at www.southdakotatrucking.com.

SCHEDULE OF ANNUAL DUES

Minimum Membership (includes first two power units)	\$300
Each power unit in excess of two	\$10
(Example: 5 units = \$300 plus 3 x \$10.00 = \$330)	

Recommended by: _____ Membership Dues Enclosed: _____

Signature of Applicant: _____

NOTE: Additional employees are able to receive copies of mailings from SDTA by paying an Employee Membership fee of \$150 (per employee). This is in addition to the initial membership fees paid by the company. Call SDTA for details.

My payment of these membership dues implies my voluntary request to receive facsimile and electronic information from the South Dakota Trucking Association.

Payments to SDTA may be deductible to members for federal income tax purposes as ordinary and necessary business expenses. Dues are not deductible as charitable contributions. Please consult your tax advisor for individual assistance in specific member situations.
